

International Society of Paediatric Oncology

8th SIOP Asia Congress SEOUL

April 17 ~ 19, 2014

Grand Hilton Hotel, Seoul, Korea

Hosted by :  The Korean Society of Pediatric Hematology - Oncology

Welcome message

Dear colleagues,

After the 1st International Society of Pediatric Oncology (SIOP) Asia Congress that took place in 2000 hosted by Singapore, the 8th SIOP Asia Congress will be held in Seoul between April 17 and 19, 2014.

Doctors working in the field of pediatric oncology, nurses, pharmacists, social workers, childhood cancer survivors and their parents will be participating in this congress. We are confident that this will be a high-level congress where the overall aspects of pediatric oncology will be introduced and discussed. All researchers participating as speakers are exceptional scholars who play leading roles in the field of pediatric oncology worldwide. The representatives participating in this congress are from all over Asia as well as Europe and North America.

The main theme of this congress is "Go together to conquer childhood cancer in Asia". More than 60% of the world's population reside in Asia which consists of countries at different economic levels. At the upcoming Seoul SIOP Asia Congress, we aim to identify the status of the treatment of childhood cancer in Asian countries and hold in-depth discussions on the methods by which the Asian countries can cooperate with each other to increase the cure rate of childhood cancers in Asia.

Seoul, the venue for the 8th SIOP Asia Congress, has been the capital of the Republic of Korea for more than 600 years. It is a city where "nature and man" and "tradition and modernity" co-exist, and a place where you can feel the magnificence of history right at the heart of the state-of-the-art city.

We expect many people from the Asian countries to attend the 8th SIOP Asia Congress and have a valuable time interacting with one another during the knowledge sharing events. We cordially invite you to be a part of this meaningful congress.

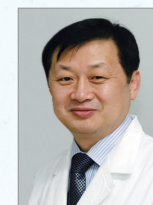

We look forward to welcoming you at the 8th SIOP Asia Congress!

On behalf of the organizing committee,

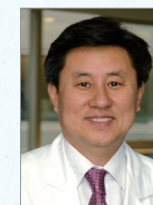

Jong Jin Seo

Jong Jin Seo, M.D., Ph.D.
Congress President
8th SIOP Asia Congress

Hee Young Shin
